### **3) Add pupils to the system**

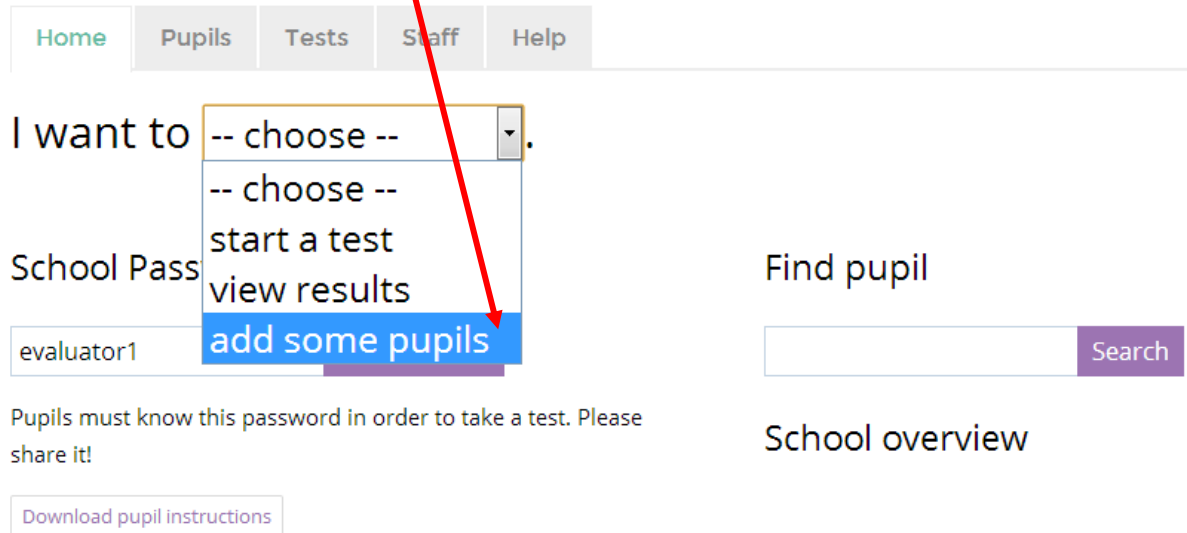

With regards to adding pupil to the system we offer MIS integration with SIMS, Integris, CMIS and Progresso- please contact us if you are interested in this feature.

You can also add pupils to the system one at a time or by importing an excel spreadsheet. If you would like us to import the pupils for you then please sent us the required details (First name, Surname, DOB (dd/mm/yyyy or mm/yyyy), Group, Pupil ID) on a spreadsheet.

To add pupils individually:

a) From “I want to . . .” choose “add some pupils”.

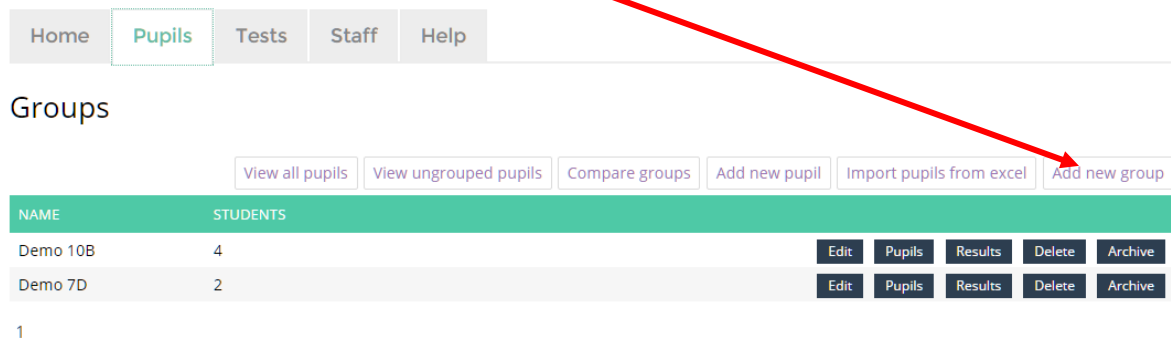

## School Dashboard / Demo School

The screenshot shows the 'I want to...' dropdown menu with the following options: -- choose --, -- choose --, start a test, view results, and add some pupils. The 'add some pupils' option is highlighted in blue. A red arrow points from the text 'a) From “I want to . . .” choose “add some pupils”.' to the highlighted option. Below the dropdown is a 'School Pass' field with the value 'evaluator1' and a 'Find pupil' search box with a 'Search' button. A 'Download pupil instructions' button is also visible.

b) Create a group.

## School Dashboard /

The screenshot shows the 'Groups' page with a navigation bar containing 'Home', 'Pupils', 'Tests', 'Staff', and 'Help'. Below the navigation bar are several buttons: 'View all pupils', 'View ungrouped pupils', 'Compare groups', 'Add new pupil', 'Import pupils from excel', and 'Add new group'. The 'Add new group' button is highlighted in green. A red arrow points from the text 'b) Create a group.' to the highlighted button. Below the buttons is a table with two columns: 'NAME' and 'STUDENTS'. The table contains two rows: 'Demo 10B' with 4 students and 'Demo 7D' with 2 students. Each row has a set of buttons: 'Edit', 'Pupils', 'Results', 'Delete', and 'Archive'.

The scatter graph shows pupil results for this one test and whether pupils are showing above or below the baseline.

The test results and real age displayed in the bar graph shows you at a glance the difference between pupil results and real age.

FIRST NAME	LAST NAME	LAST TEST AGE	BEST TEST AGE	REAL AGE (LAST TEST)	REAL AGE	AGE DIFFERENCE	STANDARD SCORE	STANDARD SCORE (LAST TEST)	ATTEMPTS
Andrew	Evans	8y7m (04/08/2015)	8y7m	11y4m	11y4m	-2y-8m	86	86	3
Gemma	Jenkins	6y0m (04/08/2015)	8y5m	12y0m	12y0m	-3y-7m	78	70	3
Mike	Smith	15y0m (06/06/2011)	15y0m	6y9m	11y2m	+8y3m	139	139	4
Jane	Watson	11y4m (07/08/2011)	11y4m	7y6m	11y6m	+3y10m	139	139	2

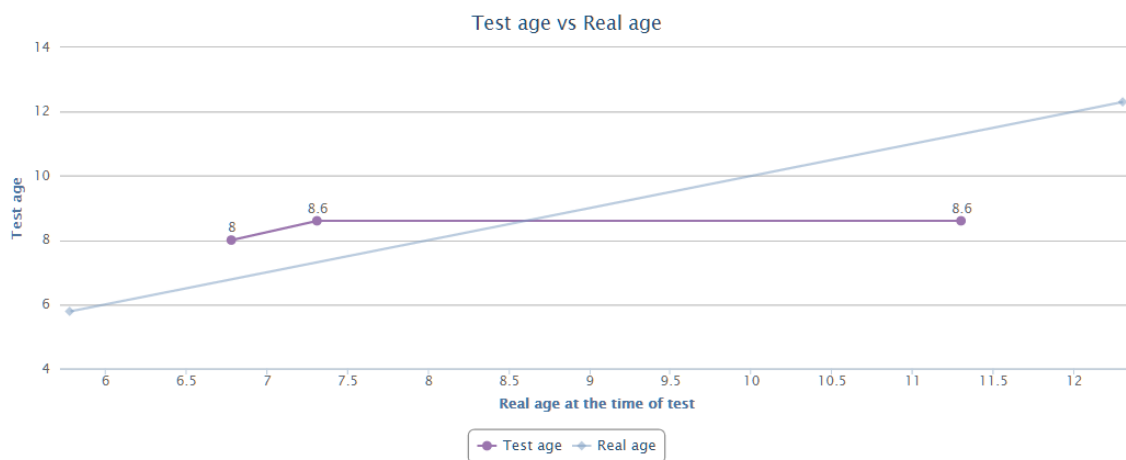

Our colour coded table highlights those pupils that are in need of any additional assistance (red) and those that are doing well are highlighted in green. There will also be a yellow section for those pupils that are doing well but not achieving as well as they should for their age.

If you wish to see a certain pupil's history please click on a pupil's name and this will take you through to all results for that one specific pupil.
